

## Steps

Deck Span<sup>®</sup> grating products provide safety in the form of open flooring, catwalks, platforms, balconies, stair treads, and walkways.

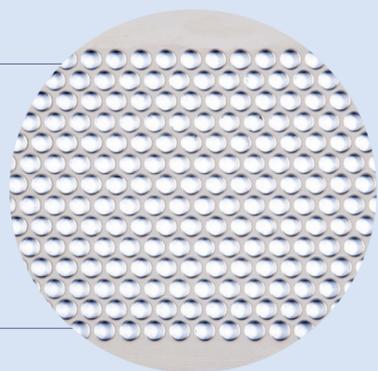

## Grain Dryer Platforms

The circular gripping buttons of Open-Grip<sup>®</sup> are user-friendly, retain their slip resistance with wear, and provide excellent slip resistance in all directions.

## Grain Dryer Walls

We manufacture perforated metal in a variety of patterns and materials that will work for your needs.

## Grain Bin Flooring
